

NOTIFICATION FOR DEPOSIT OF SHIP WASTE

Information shall be submitted to Sölvesborgs Stuveri & Hamn AB or agent/broker before arrival. Note that in Sweden, deposit at onshore reception facilities is obligatory for all sludge and bilge water with oil content if the designated tanks are filled to more than 25% of all solid waste.

1. Ship's name: _____ Call sign: _____
2. Country: _____
3. Expected arrival (date/time): _____
4. Expected departure (date/time): _____
5. Previous harbour: _____
6. Next harbour: _____
7. Most recent harbour where waste was deposited and date for deposit: _____

Type	Waste to be deposited (cbm)	Maximum storage capacity for waste in intended spaces (cbm)	Waste amount kept onboard (cbm)	Harbour where remaining waste will be deposited	Estimated waste amount that will be generated between the announced and next harbour (m)
1 Waste oil					
Sludge					
Bilge water					
Other (specify which):
